President's Letter

Dear Neighbors:

Summer is here, hope you are enjoying it!

We have finally reached an agreement between the SOTSCC and the 30th Ave Homeowners Association concerning issues of ownership, operation, maintenance, access, and insurance involved with the gate(s) providing security to both organization's properties. We thank those involved for their valuable assistance. It has not been concluded without controversy and disagreement, but is believed to be in the best interests of those involved. By now you have received either your access codes for members or notification of the access process for non-members. (Thank you Pat, Nancy, and Barrett for *making this work!*)

Yes, we are working to publish a new issue of our Shorewood on the Sound Directory. Our highly paid professional committee is actively working through this process and we believe success is within reach. Please bear with us.

The SOTSCC internet website is very much out of date and at the forefront of our attention to update. There has been active groping with this important forum for communication and while solutions have presented themselves agreement has not been reached. Resources for this effort within a very limited budget are being solicited. Volunteers are always welcome in these efforts and we encourage your assistance.

Sea Kayak Day at Seahurst Park August 19, Sat. - 8:30 am to 1 pm

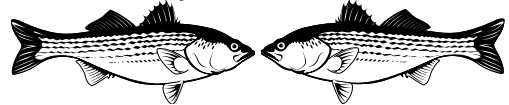

On behalf of Burien's Environmental Science Center, you're invited to join us for this family-friendly event for paddlers and non-paddlers alike. The day features kayak tours of coastal geology led by Andrea MacLennan of Coastal Geologic Services Inc., and onshore activities led by beach naturalists.

This event is cosponsored by the Environmental Science Center, City of Burien, the Conservation Division of The Mountaineers, and People for Puget Sound. Get there early to explore the beach at low tide (8:37 a.m., -0.8 feet). **Kayakers must bring their own kayaks.**

For more information, call me at 478-0182; or email me at: jim@pugetsoundchoices.com.

Annual Community Salmon Bake at the Beach Everyone Welcome!

Saturday, August 26, 12:00 - 3:00
Reserve by Monday, August 21

All Shorewood on the Sound residents are invited to attend the annual Shorewood Salmon Bake. We haven't finalized the menu yet, but this year's menu *may* include many of the following items: Wild Salmon, hot dogs, potato salad, baked beans, garlic bread, veggies and deserts of some kind. If you have any menu suggestions, can cook, and/or would like to volunteer to help out, please call Joe and Margaret Cail at 242-6315, or contact a board member.

If you plan to attend please complete the reservation form on the backside of this newsletter and send it to us by Monday, August 21, to be assured something to eat. Our address is on the bottom and just below the form. We'll see you there!

Community Beach Cleanup

We had a very successful clean up party of the beach property on July 1st thanks to the help of Joe Cail, Pat & Pat Haugen, Kevin D, and new homeowners Steve & Jillian Kane and family. There is always more to be done (especially along the fence) which needs to be done by young people. The beach and the garbage is staying much cleaner since the gate has been in place.

On July 5th three teenagers came down and cleaned up all the debris left from July fourth fireworks. I did not get their names, but great work! Thank you ladies, whomever you are.

National Night Out!!

Another good reason to go outside! On August 1st it's time to hit the streets of Shorewood in support of Neighborhood Watch. Get out of the house, get some exercise, wander about and meet your neighbors. Clothing optional, but encouraged.

Help Shape OUR Burien Community

The pending annexation of North Highline is the current issue most impacting our quality of life here in Shorewood. But with all the rhetoric being tossed around it's hard to know on which side of the issue to stand.

Two things are certain: Annexation will have an impact on our neighborhood, and you need to know the facts to know what's coming. So get yourself to a local meeting to hear and be heard on the opinion du jour.

SOTS is sponsoring one such meeting at the **North Highline Fire Station on August 8th at 7 pm**. The address is **1243 SW 112th St** and we invite everyone in the neighborhood to attend if they can. Please call a board member if you have any questions or need a ride.
